Dear Principal/Gifted Co-ordinator,

G.A.T.E.WAYS and our new host school St Paul's Primary School are delighted to offer some wonderful Journeys programs later in Term 2. These programs are designed to provide gifted and talented children with opportunities for challenge and extension with a group of 'like-minded' peers over a four-week period.

Journeys for Years 1 and 2, Years 3 and 4, and Years 5 and 6 will run for four Monday mornings from 9.30am – 12.00pm, beginning on 21 May, excluding the Queen's birthday holiday.

For your information we are emailing links to the following:

- Generic copies of the programs for parents/teachers
- Expression of Interest Slips for each program with dates, fees and venue address
- Information for School Co-ordinators outlining selection, as well as our online nomination and payment procedures
- Information for Parents outlining nomination, enrolment and online payment procedures

All documents are being sent as links to the G.A.T.E.WAYS website. If your school has Adobe Acrobat on its computers, you will be able to open the files. If not, download a reader from <http://get.adobe.com/reader/> or e-mail us and we will send you the relevant file/s as a word document.

We look forward to your school's participation in this program for the gifted and talented, and to welcoming your children. Please remember that as places in the program are limited, children should be registered early to avoid disappointment. If you have any queries, please contact G.A.T.E.WAYS directors Jill Lawrence or Meg Pini (ph 9894 2116 or fax 9894 2117).

Yours sincerely,

Damian Casamento
