Dear Principal/Gifted Co-ordinator,

G.A.T.E.WAYS is delighted to present next round of 'On Location' programs for 2018. In recognition of the fact that the schoolroom is not the only place for learning, we often venture out into the community to run our programs. Earlier 'On Location' programs at various venues have been very successful, with participating children, their parents and teachers reacting very favourably to the challenges presented. We aim to provide gifted and talented children with opportunities for extension with a group of 'like-minded' peers over a one or two-day period.

The following program will take place at **The Australian Synchrotron**, Blackburn Road, Clayton.

- BEAM ME UP (Grades 5 & 6)

The following program will take place at the **Art Centre's The Channel** at Hamer Hall, St Kilda Road Melbourne.

- POWERED UP PODCASTING (Grades 5 & 6)
- COMPOSE YOURSELF (Grades 5 & 6)

The following program will take place at **Writers Victoria**, Lonsdale Street, Melbourne.

- HOUSE OF MAGIC AND DREAMS (Grades 5 & 6)

The following program will take place at **ACMI (Australian Centre for the Moving Image)** at Federation Square, Flinders Street, Melbourne.

- TAKE 5 (Grades 4, 5 & 6)

For your information we are emailing links to the following:

All documents are being sent as links to our website. If your school had Adobe Acrobat on its computers, you will be able to open the files. If not, download a reader from <http://get.adobe.com/reader/> or e-mail us and we will send you the relevant file/s as a word document.

We look forward to your school's participation in this program for the gifted and talented, and to welcoming your children. **Please remember that as places in the program are limited, children should be registered early to avoid disappointment.** If you have any queries, please contact G.A.T.E.WAYS directors Jill Lawrence or Meg Pini (ph 9894 2116 or fax 9894 2117).

Yours sincerely,

*Jill Lawrence*
