G.A.T.E.WAYS Eureka is a **one-day interschool and immersive** workshop for students in **Years 1 to 6**. The workshops are **hands-on and delivered by presenters who are experts in their fields.** Each term has a different focus area: **Science & Investigations**, **Language & Literature**, **Maths & Inquiry** and **Creative & Critical Thinking**.

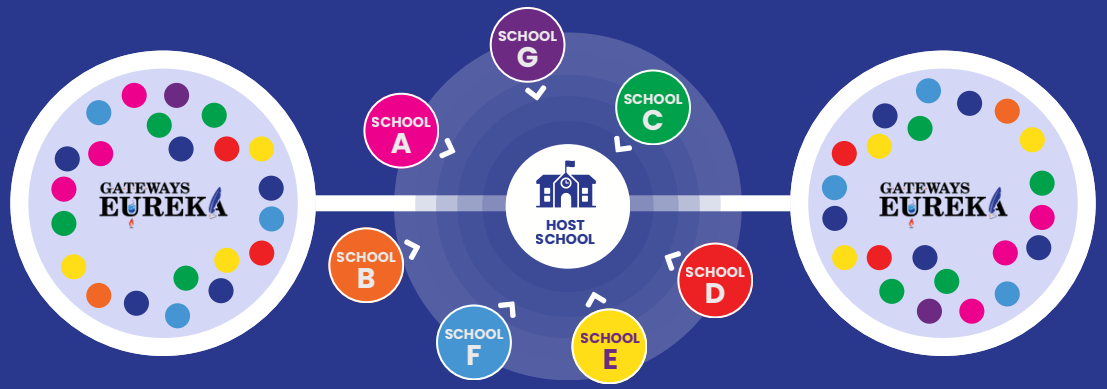

Program duration	**This is a one-day program** Students participate in two workshops over the course of the day.
Venue	**Hosted at a school, with host school students participating along with invited like-ability and like-minded students from surrounding schools**
Times	**9.00 am–3.00 pm** Parents drop students at the registration area and collect students from the same place at the end of the day. The G.A.T.E.WAYS supervisor oversees the smooth running of registration, breaks and pick-up.
Nomination requirement	**This is a teacher nominated program** Students must receive a nomination before they enrol.
Year levels	**Students are grouped into lower years (1, 2, 3) and upper years (4, 5, 6)** Lower years workshops run on one day and upper years workshops on another day. These days do not need to be consecutive.
Groups	**We run 2 groups on the lower years day and 2 groups on the upper years day**

How the Eureka program works

G.A.T.E.WAYS will:

✓ **Promote the program and supply all information to participating schools and parents**
✓ **Manage students enrolments and payments (schools can view their students' enrolment)**
✓ **Provide a team of presenters, a supervisor and morning tea**

Our aim is to impose as little as possible on participating schools.
