

Nomination Letter — Term 1, 2024

Dear Parents and Caregivers,

Congratulations! Your child has been selected by their school to participate in our G.A.T.E.WAYS 'Eureka' program, *Curiouser & Curiouser*.

This program provides the opportunity for gifted, talented and high-ability students from surrounding schools to participate in two half-day workshops led by specialist educators and hosted at **St Fidelis Catholic Primary School**.

Your child will explore engaging concepts with like-minded students through these exciting, fast-paced workshops, each designed to challenge, inspire and ignite their passion for learning.

Important Information:

- This term's workshops have a focus on **Science and Investigation**.
- This is a full day program and students participate in two half-day workshops.
- This Eureka is hosted at **St Fidelis Catholic Primary School**.
- Please check the dates carefully to ensure they do not conflict with extra-curricular commitments (e.g., music lessons, representative sport, etc.).
- This is a teacher nominated program. Only select students who have been nominated by their school or teacher can attend.

If you would like your child to participate, please:

- Use the links [🔗](#) below to access program details, including enrolment fees and dates.
- Click on the 'Enrol Now' button and follow the prompts.
- Please ensure **your child's year level is correct for 2024**. For further information please go to [How to update your child's details](#) guide.

Please note:

- Your child will not have a confirmed place in the program until you have followed the link and made payment. *In order to maximise the chance of your child getting a confirmed place, you should do this immediately as places can fill quickly.*
- Successful enrolment: if there is still a place in the program, the enrolment will be processed, and you will receive an automatic receipt. The program and enrolment information may be viewed by signing back into the G.A.T.E.WAYS portal.

We are looking forward to welcoming your child to our Eureka workshops soon.

Kind regards,
The G.A.T.E.WAYS Team.
